

SHRM-GT SPOTLIGHT

**FUTURE WORKFORCE DEVELOPMENT
COMMITTEE**

Future Workforce Development Committee

Mission

*To advocate for quality education programs,
work based learning opportunities and
partnerships with high schools to advance the
readiness of our future workforce*

Future Workforce Development Committee

Goals

- *To enhance the career education and employability of high school students*
- *To introduce current work skills into high school curriculum*
- *To help students understand the connection between education and career success*

Future Workforce Development Committee

Committee

Fairly large and active committee

Roles include high school outreach, liaison efforts, classroom facilitation, and periodic projects

Ongoing need for classroom facilitators

Facilitation of student learning modules on topics such as resume writing, interviewing skills, job search strategies, and the importance of personal branding

Future Workforce Development Committee

High School Activities *for 2011-12 School Year*

Walden Grove HS (Sahuarita)
